### N.Z.B.P. College Dhule

*H.S.C. Science (2015-2017)*

### JaiHind Highschool and Junior College Dhule

*S.S.C.*

## PROJECTS

### Copygram(Aug 2019-Nov 2019)

#### Android App for Xerox Shop

CopyGram is an app through which users can send documents online to xerox shop owner for printing. Payment has to be done for placing an order. Once the order is completed by shop owner, user will be notified to collect printed documents from shop.

### PCCOER Compitron(Jan 2019-Mar 2019)

#### Actions on Google(AoG)

<https://assistant.google.com/services/a/uid/000000f5b20c5445>

PCCOER Compitron is a chat-bot for the freshers of a college. Freshers coming to college are not aware about the college, placements, staff, academic proceedings, etc. This chat-bot provides answers to various user queries about college.

### PCCOER Technovate 2020

#### Official event website

<http://technovate2020.in>

Technovate is an official event of PCET's Pimpri Chinchwad College of Engineering and Research, Ravet. An informative and interactive website was designed for the event. Website provided information about the event and facility to register for the event.
